CODE OF STUDENT CONDUCT

INCIDENTS INVOLVING UNIVERSITY OF MARYLAND STUDENTS IN VIOLATION OF THE CODE OF STUDENT CONDUCT

The University of Maryland recently revised the Code of Student Conduct to include misconduct that occurs off-campus. There was increasing concern over the limitations of the Code to address certain types of misconduct off-campus such as physical assaults, sexual assaults, and acts of hazing. In May 2013, the University Senate voted to approve expansion of jurisdiction of the Code of Student Conduct. Specifically, the Code now covers conduct that occurs: (a) on University premises; or (b) at University-sponsored activities; or (c) not on University premises if the conduct would otherwise constitute a violation of this Code had it occurred on University premises and if in the judgment of the Director of Student Conduct the conduct affects the safety of the University community or the orderly operation of the University.

Examples of off-campus misconduct that could be referred to the Office of Student Conduct include, but are not limited to: Rioting, Sexual Assault, Hazing, Possession/Use Of Weapons, Illegal Drug Use And/Or Distribution, Stalking, Cyber-Bullying, Assault, Large Parties With Excessive Noise Or Distribution Of Alcohol To Minors.

SANCTIONS FOR STUDENTS:

Students found responsible for off-campus misconduct are subject to the same consequences and penalties as misconduct that occurs on campus including dismissal from the University.

WHAT TO DO IF YOU WITNESS MISCONDUCT:

1. Call the Police (9-1-1)
2. Call Code Enforcement to Report noise complaints: 240-487-3570 during business hours Mon-Fri, 8:00 a.m. – 5:00 p.m., or the Code Enforcement Hotline at 240-487-3588 after hours. A Code Enforcement Officer is on duty during certain evening and weekend hours.

You are advised to contact the Police or Code Enforcement Officers and have them respond rather than confront misconduct and possibly risk your own safety.

TO REPORT AN INCIDENT TO THE UNIVERSITY:

Any person may report an incident to the Office of Student Conduct at the University! To report an incident to the Office of Student Conduct please go to www.osc.umd.edu and click on the report form.

When filing a report to the Office of Student Conduct PLEASE summarize the incident and write out the facts of the incident and be as specific as possible.

BACK TO SCHOOL RECYCLING REMINDERS

Reduce waste and excessive purchases – look at the supplies, backpacks, etc. from last school year and decide what can be reused before your back-to-school shopping spree. During the school year, use a lunchbox and reusable containers for sandwiches, snacks, drinks, and cutlery to reduce waste from packaging.

Choose items with less packaging; use refillable pens, pencils, folders and notebooks whenever possible, instead of the single-use alternatives. Don't forget your reusable shopping bags!

Make bulk purchases for commonly-used items like notebook and printer paper, folders, pens and pencils. Do you have family or friends with similar-aged students? Consider splitting big purchases to save money and storage space.

Buy recycled content supplies. There are many options for paper products, folders, binders, pens, pencils, rulers, pencil cases, even planners that contain some amount of recycled materials. Purchasing recycled-content products helps perpetuate recycling programs.

Recycle in the classroom and at home. Don't forget to recycle (or reuse) notebook paper, construction paper, printer paper, index cards, folders, and newsletters. Other back-to-school recyclable items include shoe boxes, juice and milk boxes (no straws), paperboard and cardboard packaging, plastic beverage bottles, and plastic containers for yogurt and applesauce (make sure they are clean first!)
